

Is this a watershed moment for the cloud?

Looking through the Media Shuttle lens

July 2 2020

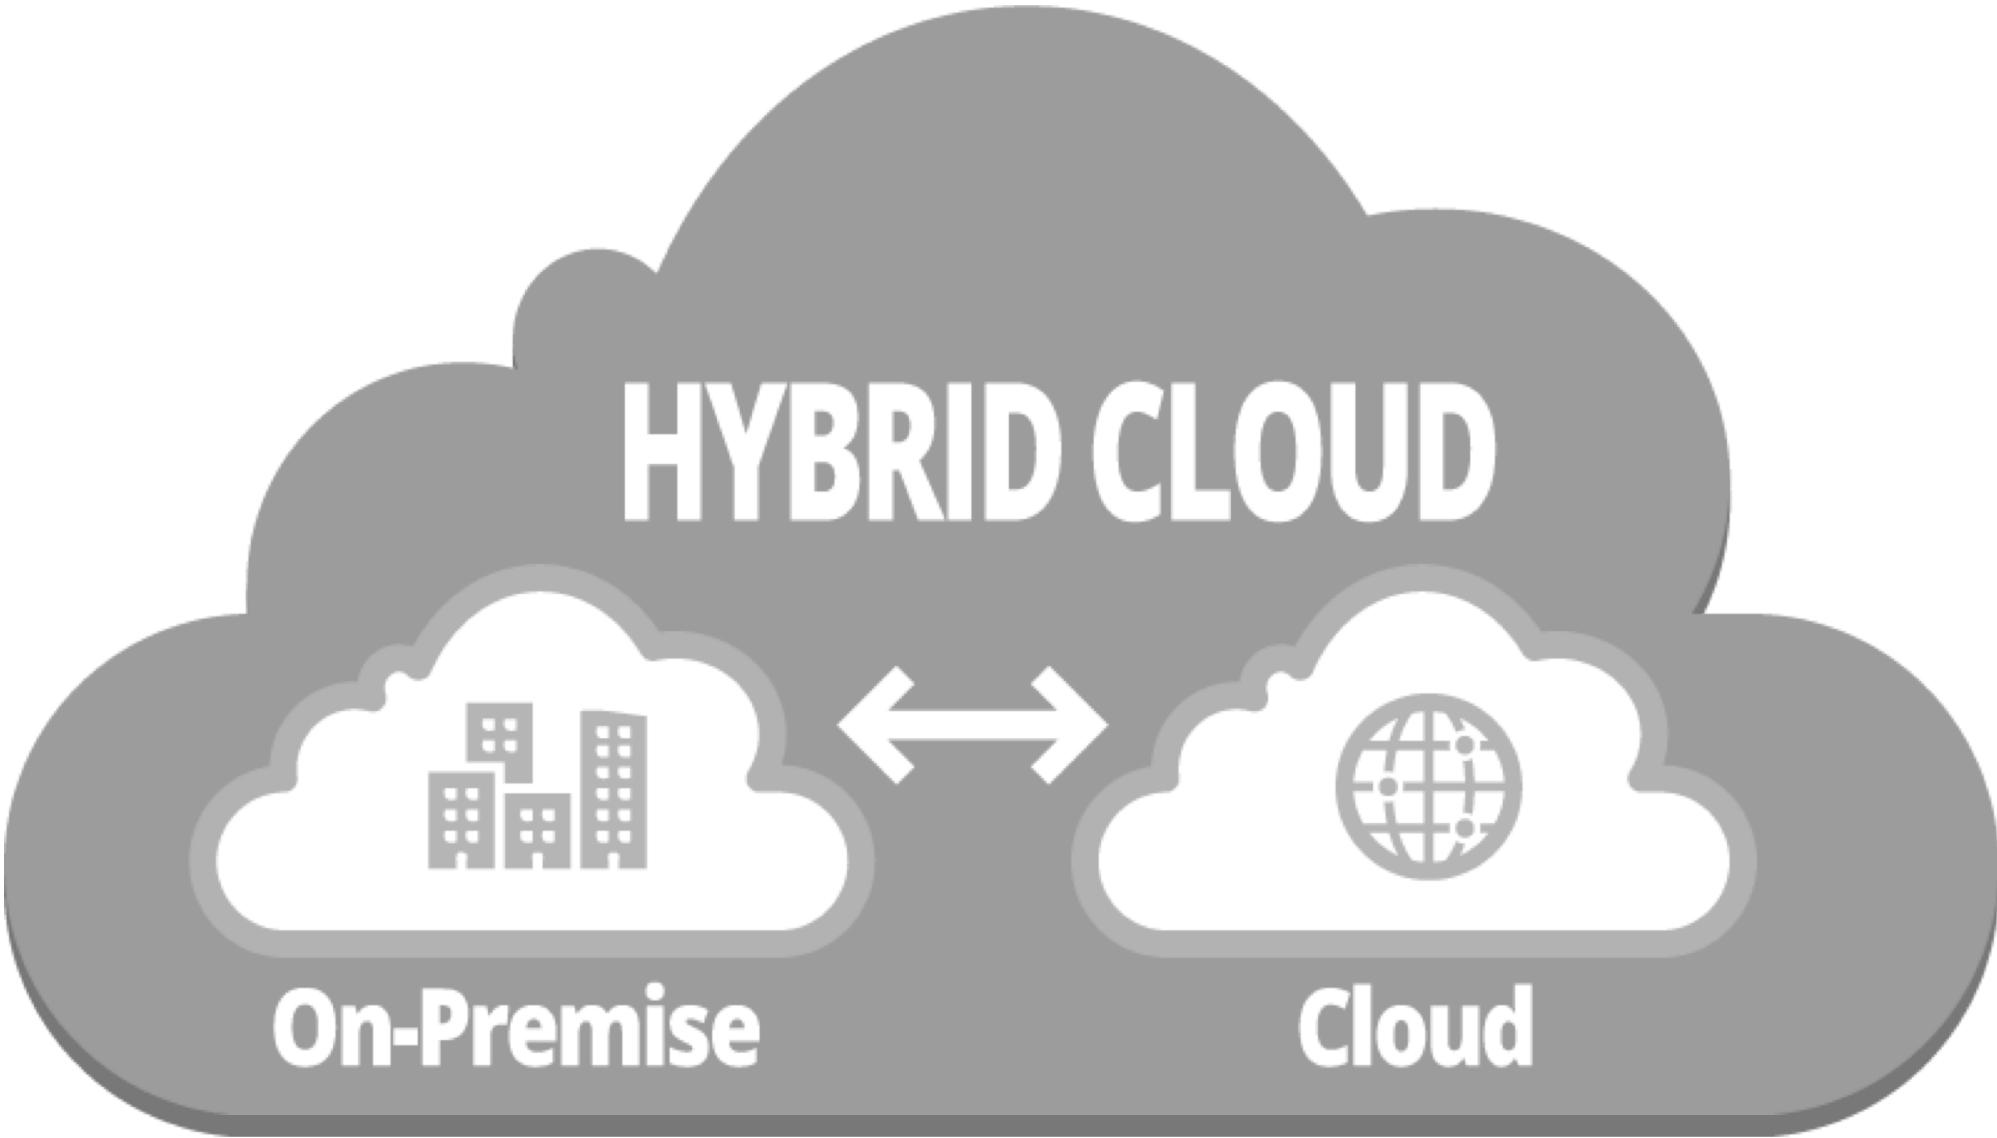

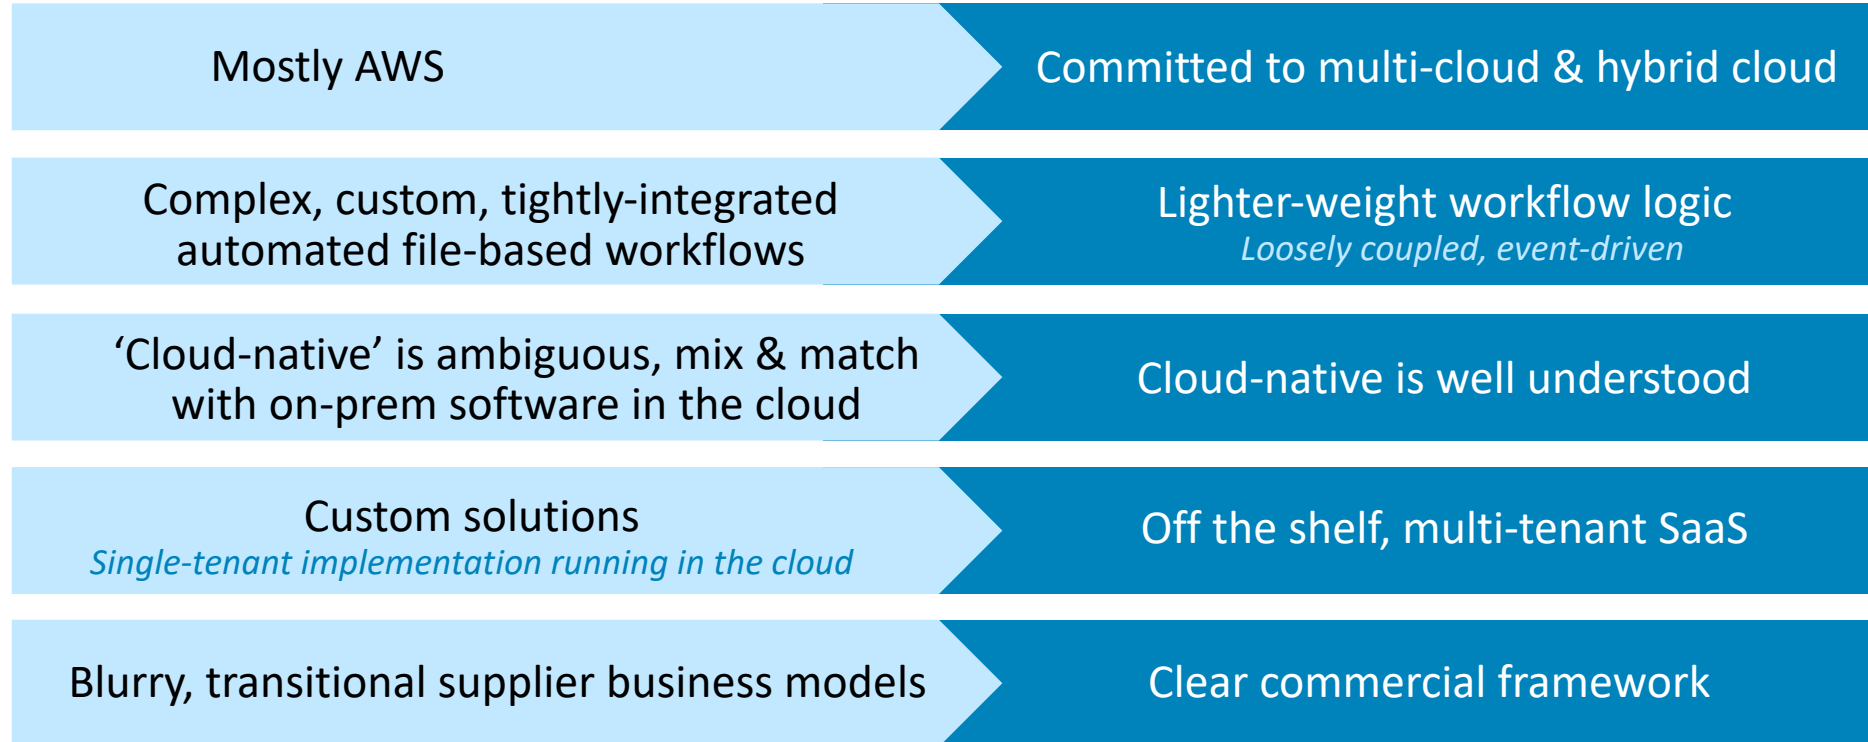

A quick look found more than 75 published production guidelines. They all have one thing in common...

Guidelines

The logo consists of two overlapping arrows: a blue arrow pointing right and a green arrow pointing left, positioned to the left of the text "Media Shuttle".

Media Shuttle

The easiest and most reliable
way **for people** to access and share
any size file, from any storage, anywhere, fast

600,000
