ITV is again not working with your vpn.... it was ok an hour or so ago and has been blocked again. Is this a continuing problem on your

Replying to @FutureFemProj and @NordVPN

Whilst you might think you're holding them to account on a public forum.....what you're really doing is telling @GeoGuard_ (the company that is blocking them and selling the list of IPs to @itvhub) that their efforts were succesfull...

It Really Works!!

Broadcaster's goal is to **painlessly comply** to the highest protection standards, while minimising the impact on genuine users

Uphold Regional Pricing / Business Models

Protect Ad Revenues from invalid traffic (IVT)

Reduce Content Piracy / other bad actors

Thank You!
