

Women in Technology Leadership

Jana Vondran

SVP Global Business Services, Ingram Micro Inc.

1

Authenticity – know who you are

2

Boundaries – know your no

3

Courage – take (calculated) risks

4

Perseverance – give it your all and adapt if needed

5

Balance – don't lose yourself

Don't stay too long in your comfort zone...it's an enjoyable place to be but gets you nowhere!
